4 In his letter dt 19 11 29 the Rt Com stated that the Municipal Council had accorded their approval to the proposal to raise the pay of Sanit Inspr from Rs 87 to Rs 100 by biennial increment of Rs 5/- This information was called for in connection with the general question then pending but no orders were passed on the question in the Govt Order dt 15 8 30, except in the case of the Kolar Dist pending further action for prescribing a uniform scale all over the State The matter has not been further considered, but the Secy to Municipal Council having passed in Sept 1931 that such of the Sanit Inspr of the Mfsl as have reached the maximum of Rs 80 may be put in the grade of Rs 80-4-100, Govt sanctioned the proposal in their order No L4320 1 - Rle 12 31-69 dt 12 12 1931,

5 The Municipal Com's letter reference to the resolution of the Mun Council dt 9 11 1929 for raising the pay of Sanit Inspr from Rs 87 to Rs 100 and request sanction to the proposal The resolution is silent as to the rate of increment whether biennial or annual increment of Rs 5/

6 As suggested at A on the last page the Mun' Com's attention may be invited to the Govt Order dt 15 8 30 and he may be asked to send a resolution of the Council if it is intended to renew the proposal, References made in this Connection to the Fin Dept's note in paras 7 and 8 of the notes in Rle file 12 31 perhaps Stating that there is hardly an opportune time for ... ing

26) The proposal to have one continuous grade 35-3-80-4-100 instead of the existing grade 35-3-80 for all the five Sanitary Inspectors, will involve in an extra cost of Rs 450/- per annum (average cost) Incremental scales for long periods have proved very costly and are not desirable

27) From the Municipal Commissioner's letter it will be seen that only two Inspectors are getting Rs80/- the maximum pay of the existing grade The Government Order of 24th June 1919 (R 16474-95/M1 184-16-23 dated 24-6-19) permits the appointment of a Chief Sanitary Inspector on Rs 80-4-100 for the Bangalore City It is I think sufficient if one of the two posts of Sanitary Inspectors is fixed at Rs80-4-100 in order that the persons in the lower grade may be promoted to the higher grade

In this connection I may state that only two, out of 5 Sanitary Inspectors working here, are drawing Rs 80/- and above at present as noted in the margin, and the question of fixing their pay and the extra cost that will have to be incurred will be considered after sanction to the enhancement of the scale of pay is obtained
